**Description:**

Palio Clic by Designflooring is an innovative floor covering with patented interlocking system, specially optimized for simple installation and long-lasting hold. Its revolutionary nesting system requires no adhesive and requires minimal preparation time. A choice of eight intricate wood patterns and four stone patterns, each with a durable locking system and durable 0.4mm wear layer. The authentic patterns and structured surfaces of each blade and tile imitate nature to perfection.

Thickness of slats or slabs: 4.5 mm.

Size of the planks: 120.00 x 17.90 cm.

Size of the tiles: 30.70 x 60.00 cm.
